Shoe Sizing Guide

1. Print 2 copies of this sheet.
2. Print in Landscape mode and select to print Actual Size.
3. MEASURE the ruler guides at the bottom of this page to ensure correct sizing.
4. FOLD the ends where indicated & TAPE the dark lines together.
5. Place the heel side of the printout against a wall on a hard floor.
6. Measure both feet by counting off the lines and select largest.

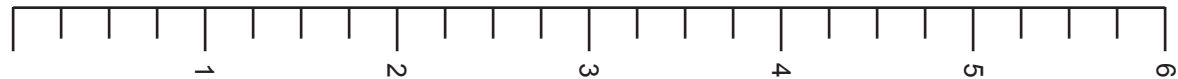

Fold paper here and place against wall
